“Hands-on golf course design”

<https://DyeDesignsGroup.com>

“Cynthia is not only professional in design and other services, but also patient, careful and responsible during work. There are clearly shown in detailed drawings, frequent site visits, consideration about owner... the reason why we recommend DDG is because that we are satisfied with the design and other services they provide. We firmly believe that with their help, we sure will build a world-class golf course.”
